

Welcome Back!

Elmwood is very excited to present your Co-Curricular Options for 2011-2012! This passport was created for you, the Elmwood Student, to help organize your co-curricular commitments. This passport includes a list of the clubs and sports that will be offered this year. Co-curriculars are an important part of your whole school experience and allow you to develop into a well-rounded individual!

You will use this passport as a guide during the Activity Fair. At the Activity Fair, you will be able to sign up for those clubs you are interested in being a part of this year. At each table you will have to sign your name on the list provided by the Faculty Supervisor. In your passport you will then circle the name of this club.

Remember that your first commitment is to your academic success. You must think about how you will manage your time between academics and co-curricular commitments. It is very important that you regularly attend your clubs and commitments, so you must make sure you can balance all the demands on your time.

When you have completed this passport, you will take it home and discuss with your parents or guardians your choices. Both of you will then sign the passport, agreeing that you have discussed time management and that you will regularly take part in this club. You will then return this passport to your Homeroom teacher/SLG Advisor. Your Homeroom teacher/SLG Advisor will look over your choices and sign the Passport as well. Please place this in your Portfolio so that you can refer back to it throughout the year!

Good luck this year!!

***** Before signing on following page, please consider Athletic Commitments
