EMERGENCY MEDICAL CONSENT

In the event of an emergency, Elmwood School requires parental consent in order to consent to the medical treatment or surgery of the student. Elmwood School will use reasonable efforts to contact the parent(s) prior to consenting to medical treatment for the student and the parent(s) acknowledge and agree that the need for an immediate decision regarding medical treatment for the student may make such contact impossible.

Accordingly, I/we hereby authorize and give my/our express consent to the Head of Elmwood School, or her delegate, to act in loco parentis and in that capacity to consent to medical treatment or surgery for the student based on the advice of the attending physician who considers immediate medical treatment or surgery to be a necessity.

In addition, I/we hereby authorize and give our express consent to the Head of Elmwood School, or her delegate, to seek and obtain any and all medical interventions that may be reasonably required to ensure the safety and well being of the student while on the trip.
