

March 3rd, 2010

Dear Grade 5 Parents,

We are writing to you from deep within the excitement of Exhibition preparation. Your daughters are about to begin working on their most exciting unit, **The Exhibition**, and the research phase of their work is around the corner. Following this, they will be preparing their formal presentations to show you, as well as other members of our community, about what they have learned. As they work toward Exhibition, they will be required to maintain an Exhibition binder and will be guided by us, as well as their mentors, throughout the seven weeks of work.

On our Exhibition day, **Thursday, May 5th**, the Grade 5s will be set up with tables and display boards. As the girls are extremely busy working on their learning, we want to facilitate the process of purchasing the appropriate binders, dividers and display boards. We will order the supplies directly to the school so that they arrive in plenty of time for the girls to get them organised, and your account will be billed \$22.00 for the binder, dividers and display board. Please sign and return the form below by Monday, March 7th to ensure that we place our order as soon as possible.

A parent information morning will be held on Friday, April 1st. We look forward to seeing you next month!

Sincerely,

Allison M. Holmes
Grade 5 Teacher
