

Thursday, December 8, 2011

Dear Parents/Guardians,

On Tuesday, December 20th all Grade 9 students will have the opportunity to participate in a St. John Ambulance First Aid course. The course will run from 8:15 a.m. to 3:45 p.m. and as a result there will be no Grade 9 classes that day. This is a mandatory course as it is a requirement of the Grade 9 Physical and Health Education curriculum.

To prepare for the course, each student has been provided with a first aid training manual. Students must read the assigned chapters before the course. Students are also required to wear their gym uniform or Elmwood tracksuit as they will be actively participating throughout the day. At the end of the course there will be a written and practical test.

This is a very valuable workshop that we feel very fortunate to be able to offer. As a result the Physical and Health Education department will cover the cost of instructors however we ask that your family cover the cost of the certification. \$22.50 will be charged your daughter's account to cover this cost. Please sign the form below to authorize this process and return it to Ms. Derbyshire no later than **Monday, December 12, 2011**. If you have any questions please feel free to contact me.

Sincerely,

Erin Derbyshire
Physical and Health Education Teacher
