

May 13, 2010

Dear Parents,

Our Junior School charity is CAMFED, an organization that educates girls and empowers young women in sub-Saharan Africa. Every year, each class in the Junior School raises funds to support the continuing education of girls in a developing country in Africa.

On **Friday, May 21**, the Junior Kindergarten class will be hosting a Garden Sale to raise funds for CAMFED. Each student is asked to donate at least one flat of flowers. Donated pots and planters would also be greatly appreciated, as the girls will be decorating these and assembling arrangements that will be available for purchase at the sale. **Please drop off all donated flowers and pots on Wednesday, May 19.**

The sale will take place in the Kindergarten yard from 8:00-9:00 a.m. and 3:00-4:00 p.m. Students and parents who wish to volunteer during the garden sale are more than welcome!

We truly appreciate your support for our important fundraising initiative. The students will be the driving force of this project, which will help them to develop an understanding of the importance of collective action, community responsibility and philanthropic involvement.

Many thanks,

Kate Meadowcroft
Junior Kindergarten Teacher
