Dear Grade One Parents,

As you have probably heard from your daughter, the Grade One students have been busy learning about animals as part of our "Staying Alive" unit. This unit has involved learning a lot about non-fiction books and how they can help us learn things about the world. Students have learned strategies to help them read non-fiction books, and they have also learned how to write a non-fiction book. Each student has created an *All About* book, focused on one animal.

To celebrate our learning, the class would like to invite you to join us for a presentation in the Grade One classroom on **Friday, January 27<sup>th</sup>** from 8:30 until 9:00 a.m. You will have a chance to learn more about the creation of our *All About* books, as well as see the finished product.

We hope you can join us. Please let me know if you will be in attendance by completing the form below and returning it to the school office by Friday, January 20<sup>th</sup>.

Sincerely,

Ginny Strachan  
Grade One Teacher
