

September 16, 2011

Dear Grade One Parents,

This year I will be providing parents with the opportunity to order books through Scholastic. Scholastic Book Clubs are an easy and affordable way to find and order books that children love. Scholastic pre-selects books that are appropriate for every reader's interest and reading level. Please note that this program is completely optional.

Attached are catalogues which cover a range of ages. If you would like to purchase any of the books, simply fill out the forms at the back of the flyers. Please write a cheque for the total amount, attach it to the order form(s) and send it to school with your child by the indicated due date. I will write the due date on one of the flyers.

If you are interested in ordering any books from this month, please return the form(s) by Wednesday, September 21, 2011.

Sincerely,

Ms. Strachan  
Grade One Teacher
