Dear Grade 5 Parents,

Re: Grade 5 Math Morning 2010-2011

You are warmly invited to join your daughter for the annual Grade 5 Math Morning on Wednesday, December 8. We hope that this event will give you an opportunity to participate in your daughter's learning and to observe our Everyday Mathematics curriculum in action.

Coffee, tea and muffins will be available in the Multi-Purpose Room from 8:10 until 8:40 a.m. During this time, Ms. Wiegand, Ms. Holmes and I will be available informally to answer questions and share information about our math programme and other grade-specific issues.

From 8:40 until 9:30 a.m. you are invited to join your daughter in her classroom to participate in activities from the Everyday Math curriculum.

We are excited about welcoming you to this important event. Please complete the attached form and return it to school by Monday, December 6.
