Elmwood School

August 2010

Dear Junior School Parents:

Re: Pediculosis (Head Lice) Permission Form

In order to help protect the students from the spread of pediculosis, we are asking your permission to check your child(ren) for head lice if necessary throughout the school year. Over the years, Elmwood has been fortunate in remaining relatively free of the problem.

Should a head lice inspection be required, it will be carried out by the school nurse and you will be contacted if your child needs treatment.

Please complete the permission form below and return it to Mrs. Hay in the Junior School office by Wednesday, Sept. 8, 2010.

Thank you.
