Dear Parents,

On **Wednesday, June 8th**, the Senior Kindergarten class will be visiting the Canadian Museum of Nature, along with three other Junior School classes. This trip connects to our *Mystery Animal* programme, in which the students have been learning all about North American animals, especially those that live in this region.

Through the various exhibits at the Museum, the students will explore different habitats and will come to understand that habitats can vary greatly from one part of the country to another. They will also be encouraged to notice how various features of the different animals are connected to the environment in which they live. For example, beavers live in wet areas and have webbed feet; they also have very large teeth to help them cut down trees and strip bark off of branches.

The students are asked to wear their Number One summer uniform on this field trip (no skorts, please). **Please note that we will be leaving the school at 8:45 a.m.**, so it will be necessary for your daughter to arrive at the school by 8:30 or so that day. We will return to the school just before lunch. Please note that your school account will be charged \$10. Please complete the attached permission form and return it to me by Monday, May 30th.

As always, we encourage parents to come along as volunteers, so if you are able to come, please let me know by email as soon as possible. There may not be any extra room on the bus, so we might ask you to meet us there.

Sincerely,

Cathy Wiley
Senior Kindergarten Teacher

I understand that all of Elmwood School's rules and policies (see Handbook) as well as any rules and directives established by those leading the trip remain in full force and effect for the duration of the trip.

By my signature below, I acknowledge and agree that I am solely responsible for any costs arising out of my daughter's breach of any of Elmwood School's rules and policies and/or any rules and directives established by those leading the trip and the resultant disciplinary actions, if any, whether occurring prior to or during the trip.

RELEASE AND INDEMNITY

In consideration of my daughter being permitted to participate in the Canadian Museum of Nature ("the trip"), I do for myself, my daughter, my spouse and our respective heirs, executors, administrators, successors and assigns, agree as follows:

I acknowledge and accept that participation in the trip may expose my daughter to unspecified risks and hazards, which are inherent in such trips, including without limitation, the method of transportation for the trip, all of which I expressly and voluntarily assume.

EMERGENCY MEDICAL CONSENT

In the event of an emergency, Elmwood School requires parental consent in order to consent to the medical treatment or surgery of the student. Elmwood School will use reasonable efforts to contact the parent(s) prior to consenting to medical treatment for the student and the parent(s) acknowledge and agree that the need for an immediate decision regarding medical treatment for the student may make such contact impossible.

Accordingly, I, by my signature below, hereby authorize and give my express consent to the Head of Elmwood School, or her delegate, to act in loco parentis and in that capacity to consent to medical treatment or surgery for the student based on the advice of the attending physician who considers immediate medical treatment or surgery to be a necessity.

In addition, by my signature below, I hereby authorize and give my express consent to the Head of Elmwood School, or her delegate, to seek and obtain any and all medical interventions that may be reasonably required to ensure the safety and well being of my daughter while on the trip.

I have read all of the foregoing carefully and by my signature agree to be bound by all aspects of the foregoing.
