

## ELMWOOD'S RUN FOR THE CURE 2010 NEWSLETTER

Your Elmwood Run for the Cure Committee is hard at work planning events and activities to help raise awareness and funds for the Canadian Breast Cancer Foundation.

On Friday, September 10th we are happy to be holding the Run for the Cure BBQ during the lunch hour for all Elmwood students. This is an event enjoyed by all to 'kick start' our annual campaign. Please fill out the attached form with your preferences and return to the school. **Please note the earlier date—a change from previous years.**

This year we will have many events organized to support our fundraising efforts. Here are just of the activities we will be organizing:

- On Monday, September 20th and Friday, September 24th our House Prefects will be in the parking lot before and after school collecting spare change. This event is always a huge success for our campaign. Please bring your spare change and donate to a great cause.
- Mark your calendars for Friday, September 24th for our Junior School Bake Sale. Donations of bake goods should be brought to the Junior School before 9:00 a.m. This event is always a great success for the campaign and lots of fun.

- Pink Accessory Day will be held on September 30th. Uniforms are required but for a \$5 donation your daughter can accessorize with her favourite pink boa, necklace, tiara, etc. Be creative!!
- After last year's fantastic success we are again offering sponsorships on our Run for the Cure Banner. This banner will proudly lead our Elmwood Eagles team on race day. Show your school pride by purchasing a corporate or family sponsorship and have your name included with our Elmwood family. Tax deductible, Corporate Sponsorships are \$500 and Family Sponsorships are \$250. Please contact Denise Carruthers at [denise.b.carruthers@gmail.com](mailto:denise.b.carruthers@gmail.com)

Most importantly, it is never too early to register for the 5k run or walk on October 3rd! Registration can be done electronically using our team name ELMWOOD EAGLES.

**Register today at: <http://www.cbcf.org>**

Danielle May-Cuconato  
Committee Co-Chairperson

Nina Kozlowska  
Prefect at Large/Student Chairperson

P.S. – Stay tuned for more exciting events to be announced!!
