

January 13, 2011

Dear Grade Three Parents,

In music class this term, students will be learning to play the recorder. Our school is taking advantage of a package deal which includes a Yamaha recorder and the instruction materials which she will be using. The cost for this package will be assumed by you, and your account will be billed \$10. Even if your daughter already has a recorder, we would like her to have the Yamaha recorder to use in school; having the same recorders will help our class to achieve the best possible intonation.

Please remind your daughter to have her recorder and recorder folder at school on Mondays and Wednesdays.

Please feel free to contact me about any aspect of our Junior School Music Program.

Sincerely,

Evelyn Pike
Music Teacher
