

April 22, 2010

Dear Elmwood Eagles Rugby Players and Parents,

As part of the 2010 season, the Elmwood Rugby Team will be participating in a local varsity level rugby Tune Up Tournament. On May 7<sup>th</sup>, the team will travel to Earl of March High School to practice against local teams. Each team will play 3 games that day. Parents and families are invited to watch for the day.

Students will be missing a day of school and will be expected to turn in all schoolwork that is due that day, prior to leaving. In addition students are responsible for getting any missed notes from their classes. The bus will leave at 8:00 am to travel to Kanata and return by 3:45 pm to Elmwood.

The tournament provides a certified Athletic Therapist, in addition to a Trainer from the Ottawa Paramedic Service. There will be a cash lunch so students are to bring money to purchase food. Students should also bring snacks and water for the day.

If you have any questions, please do not hesitate to contact Ms. Derbyshire (ederbyshire@elmwood.ca).

Sincerely,

Erin Derbyshire  
Rugby Coach
