

**Elmwood's Senior Kindergarten News**  
May 2010

**Summer Uniform**

Starting May 1<sup>st</sup>, the children may start wearing their summer uniforms. Unless it is stated that the children are required to wear their Number One Uniform, they have a choice of either uniform below (in effect until Thanksgiving):

Number One Uniform	Number Two Uniform (optional when Number One Uniform is not required)
Short-sleeved blouse with crest (no tie) Green Tunic Knee socks Bloomers Black shoes	Green Elmwood polo shirt Tan walking shorts Dark-coloured, flat sandals*

\*Please remember to put a pair of socks in your daughter's knapsack if she wears sandals without socks to school so that she will have socks for gym class.

**Sunny Days**

If the weather becomes warm enough before the end of the year, we ask that you please apply sunscreen to your child before she comes to school and include a sunhat for our outdoor activities. Thank you for assisting us in keeping your child properly dressed and protected from the sun.

## PYP Unit of Inquiry

We are just wrapping up our current PYP Unit of Inquiry, *Healthy, Healthy Me*. The children have learned all about the four main food groups and why we need to have a good balance of healthy foods in our diet.

Our last PYP Unit of the year begins on Monday and is called *Water for Life*, which is all about how important water is for all living things and how we must look after this precious resource. The central idea of this unit is: *Water is essential for all forms of life*. Please see the attached newsletter.

## Mother's Day Tea

A letter regarding the annual Mother's Day Tea was sent home earlier this week in your daughter's communication folder. Please fill out the bottom portion of the letter and return it to school as soon as possible so that we know how many moms or other special guests will be attending. Thank you.

## Student Teacher

Christina Mayer is finishing her placement with us this week. We really enjoyed having her in our class for the past five weeks and wish her well in all her future endeavours.

## Important Dates

- Monday, May 3: *Water For Life* begins
- Friday, May 7: JK/SK Mother's Day Tea 2:00 to 3:00 p.m.
- Friday, May 14: Ballet Recital
