Dear Elmwood Students and Parents,

The Student Price Card is Canada's most popular student discount card. It allows you to save 10-15% off purchases made each time you visit stores such as Bluenotes, Second Cup, American Eagle, Aldo, Sports Check, The Body Shop and lots more. The SPC website updates weekly with online perks such as 25% off certain stores or 2 for 1 deals.

SPC cards will be sold during Middle School and Senior School lunch from September 26-30. As an alternative payment method, the SPC card can be billed to your account. They will be sold for \$9.00 (taxes included) each, and are valid until July 31, 2012.

To find more information, you can visit the SPC website at <http://www.spccard.ca/>

Please complete the form below and return it to your homeroom/SLG teacher by Friday, September 30 to be used for billing purposes. If you have any questions or concerns please feel free to contact Ms. Kelly at 613-749-6761 ext. 424.

Sincerely,
