Dear Middle School Parents/Guardians and Students

RE: Sock Monkeys for Lesotho

We are very excited to be offering a fun and exciting new activity for our Middle School this spring. The club is pleased to have the expertise of Mr. Tobin Kelly to teach the girls the skill of sewing sock monkey dolls.

The creation of the sock monkeys will take place over a few weeks on Mondays after school from 3:45 – 5:00 p.m. in the Senior School science lab. The sock monkeys will be fabricated by the girls for the purpose of sending them to orphanages in Lesotho.

The students will learn some creative skills while enjoying time together and working towards a great cause. If there are any parents that have access to a portable sewing machine and are available to help please contact me at the email address below.

The cost of the club covers supplies for the sock monkeys. Please complete the portion below and return it to Mrs. Marchand by Friday, May 13, 2011.

Sincerely,

Mr. Tobin Kelly
