#### **Toy Wonder Tour and Workshop** (Pending Availability)

This exhibit will look at 5 great Canadian toy designers working today and ask them, 'How did you get that cool job?' We aim to find out what inspires them and what the most awesome toy they have ever designed is, among other things. On display will be the work they are most proud of, and maybe some toys they played with when they were just dreaming of becoming toy designers.

### **Free Time for Lunch**

### **Toronto Guided Sight Seeing**

An expert local guide will show you the highlights of Toronto on today's tour. Stroll through the shops of Chinatown, and admire the old provincial government buildings and sweeping lawns of Queen's Park. See the University of Toronto-the first electric heart pacemaker was developed here in 1922. Visit St. Lawrence Market, a vibrant marketplace that was originally erected to serve as the first City Hall. On the edge of Lake Ontario, see the fantastic 96-acre combination theme park, arcade, exposition center, and Public Park called Ontario Place. Wind your way down to the Toronto Harbor and the 10-acre waterfront. Take in the sights and sounds of Queen's Quay, which features picnicking, arts, music, markets, and yacht-watching.

#### **Cadbury Factory Tour** (Pending Availability)

## **Dinner in Toronto**

### **Art Gallery of Ontario**

The vast collection of the AGO feature works of impressionists including Monet and Degas, as well as modern pieces influenced by language, mathematics, television and film.
