Dear Parents:

Re: UNICEF Trick or Treat Campaign 2011

Once again, Elmwood Junior School will be participating in UNICEF's annual Halloween Campaign. The Trick or Treat for UNICEF Campaign is focusing on helping children in developing countries by raising funds to build schools and sanitation facilities, and to provide school supplies and teacher training. We would like to enlist your support to help raise funds for this worthwhile cause.

Today we are sending home UNICEF treat or treat collection envelopes for donations. Money can be raised before October 31, as well as on Halloween night itself. **As always, participation in the UNICEF campaign is optional.** If your child would like to participate in this very worthwhile cause, please have them return the envelope to Mrs. Hay in the Junior School Office by **Friday, November 4.** All money collected will then be sent to UNICEF.

Thank you very much for your support.

Sincerely,

Kate Angell
Deputy Head of School
