

April 8, 2011

Dear Parents/Guardians,

**Re: Walk to School – Thursday, April 21, 2011**

Earth Day is commemorated each year in April. The Junior, Middle and Senior School students are invited to join in our annual walk to school in celebration of Earth Day.

If you wish to participate, please drop your child off at the Metro (Beechwood at Springfield) parking lot at **7:40 a.m.** to meet up with teachers who will make the 20-minute walk up Springfield Road to Elmwood with the students at 7:50 a.m. **If you arrive after 7:50 a.m., please bring your child directly to school.** Parents are welcome to join this walk to school.

This activity is one small step in encouraging a healthier lifestyle and promotes the idea of reducing traffic in the Rockcliffe community. As part of this international celebration, students from the neighbouring schools of Rockcliffe Park Public School, St. Brigid's School and Ashbury College will join us in our walk.

Thank you for your support of this initiative.

Sincerely,

Andrea Kelly  
Dean of Student Life  
Senior School

Tobin Kelly  
Faculty Supervisor  
Environment Council

Kate Angell  
Deputy Head
