

December 2, 2011

Dear Parents,

The Yearbook Club "Samara" is taking orders for the yearbook for 2011/12. It is a record of your child's year including academic, extra-curricular and community events. The book is completely organized and published by a student-run club using today's technology. If you would like to order the yearbook, a fee of \$60.00 will be applied to your daughter's account and reflected on the February 2011 statement. The 2011/12 yearbook will be distributed in September 2012.

Please fill out the following order form and have your daughter return it to her Homeroom/SLG teacher by January 30, 2012. The yearbook order numbers must be finalized in February. No additional copies are available in September.

Sincerely,
