

Hello Elmwood Parents,

After discussions with students, staff, parents, and our uniform supplier, Top Marks, a number of small changes will be made to the uniform for the next school year. Discontinued items can be worn through the 2010 – 11 school year, but new items will be required by September 2011.

Changes for the Junior School

1. We will be phasing out the kindergarten dress – all Junior School students will wear the pleated tunic. Top Marks will offer tunics down to size 2 to accommodate our smallest students. Students currently in Junior Kindergarten will be allowed to continue with their current dress for Senior Kindergarten.
2. Top Marks has asked us to phase out the Junior School style gym shorts – students will switch to the Middle/Senior School style of shorts. Small sizes will be available. Students will be allowed to continue wearing their current shorts.
3. We will be phasing out the green pants for students in Grade 4-5 – all Junior School students (including Kindergarten) will be allowed to wear pants but the colour will change to grey for continuity with the Middle/Senior School. Sizes down to 2 will be available. Students currently in Grade 4 will be allowed to wear the green pants for Grade 5.
4. We will be phasing out the green sweatshirt – Junior School students will be allowed to wear the grey hooded sweatshirt. Small sizes will be available. Students will be allowed to continue wearing the green sweatshirts.
5. We will be phasing out the green bloomers – a black 'biking style' short will replace them. Students will be allowed to continue wearing the green bloomers.

Changes for Middle and Senior School

1. Cardigans will be available to students in the Middle and Senior School – sizes up to AXL will be available.
2. A black 'biking style' short will be available to all students to wear under the green or tartan skirt – sizes up to AXL will be available.
3. A new 'women's cut' polo shirt will be available for Middle and Senior School students – students will be allowed to continue wearing the current polo shirt.

Top Marks will bring samples of the new items to the Uniform Try-on day on May 25 (3 – 6:30pm). Samples will also be available for try on at the Uniform Shop on Tuesdays in June (3 – 4:15). If you have any questions please email the Uniform Shop at uniformshop@elmwood.ca.

Regards,

Kate Angell
